# egg puffs

Egg puffs have a fascinating story that dates back to Anglo-Indian cuisine. Introduced in the colonial era, this snack quickly became a hit in Kerala, Tamil Nadu

# Chicken biriyani

The high-quality meat and basmati rice along with aromatic spices is simmered on a low flame, allowing the ingredients to cook in their own juices, sealing the natural aroma.

# burger

A grilled beef patty on a bun is called a burger. Lunch at a fast food restaurant often consists of a burger and fries. You can use the word burger as a casual shorthand for hamburger, which is ground or minced beef that's fried and served on a bun
